

Since work on the desalination project began, many questions have been raised about the economic viability of desalination as a major water source, the impact of the plant on the local community and environment, waste disposal and traffic issues.

Now is your chance to hear from an expert panel and raise your concerns

wonthaggi desalination forum

Chaired by

Gareth Barlow Bass Coast Shire Councillor

WONTHAGGI WHALE WATCH LAUNCH

with a slide show of whale sightings in 2009
Whale Watch 2010 : Whales have been sighted along our coast for many years. This year, we are running a community Whale Watch programme between Cowes and Cape Liptrap. Find out how you can get involved.
